My parents lived here when they were young, but my brother and I didn't know anyone here except a few relatives we'd met on visits. When I started school, one of my cousins, Sophie, who was in my class, was very friendly for the first week and I was happy to have a friend in a strange place. Then, for no reason, she stopped talking to me and I felt very hurt and lonely for several weeks. In the end I made some more friends and since I got to know them, I've been fine. Now Sophie is having a disco party for her birthday next week and she has invited me. I don't want to go. My brother says he heard someone say she only asked me because her

parents said she had to. But my Mum and Dad say it would be rude not to accept. Some of my new friends are invited, too. How can I show Sophie that she can't behave so badly towards me without causing a family quarrel?
